

Activity #5a: View and Analyze

Section 4: Tier 2 - More Targeted Instruction

Watch the **Section 4: Observe Tier 2** video and look for examples of the key strategies for Tier 2 instruction.

Key Instructional Strategies for Tier 2	Evidence seen in the video
Asks children purposeful questions	
Scaffolds (guides) children's responses when support is needed	
Explains important words and concepts and how they can be used in multiple contexts.	
Gives all children opportunities to practice using the target words	
Provides feedback as children practice skills	
Extends conversations with children (3-5 turns)
